Q18 - We welcome your written comments below. What is something/are some things that the instructor does well, e.g., something you hope that the instructor will continue to do in the class in the future?	
Faculty:	Xuewen Yu
Response Rate:	25.00% (2 of 8)
1	Xuewen is a really good teacher. He knew everything belongs to our course and he can easily solve our questions. He holds a long office hour so that we can always find him at his office when we had questions.
2	He is very helpful and open to help outside of class time. I was able to go to his office hours multiple times and he was always extremely helpful in solving problems and questions that I had regarding the course material.

Q19 - Make a suggestion(s) for improving the course (a criticism alone is not helpful; tell your instructor how you would fix any problem).
